DISCUSSION:

We are pleased to announce the Linking Hearts Community Adoption Event! This activity is a wonderful opportunity for the Children's Division, the Phelps County Community Partnership and the University of Missouri-Rolla Inter-fraternity Council to provide prospective adoptive families with the opportunity to interact with children in need of permanent homes. For over a decade Linking Hearts events have resulted in creating new families for waiting children, as well as increasing community awareness of the need for adoptive homes for children from foster care.

This year's event will be held on Friday, September 22nd at Lion's Club Park in Rolla, Missouri. Registration for children will begin at 1:00 p.m. at The Centre. Activities will include swimming, basketball and other indoor activities followed by outdoor activities such as craft and project stations. Prospective adoptive parents are invited to join the festivities beginning at 5:00 p.m. The evening event will include carnival games, music and a picnic with the children. Registration forms and an agenda are attached. Directions to Lion's Club Park and The Centre may be obtained by visiting the Linking Hearts website at:

http://www.thepccp.org/our_programs/linking_hearts/

Counties are encouraged to participate in this event by registering children and inviting prospective adoptive parents to attend. Please use the attached flyers to invite families to this recruitment activity.

This has proven to be an enjoyable and informative adoption recruitment event for prospective families and adoption workers over the years. We strongly encourage your participation and support of this activity.
